In the interest of saving animals, the above shelter wishes to enter into a Transfer Agreement with Tiny Tigers Rescue. The above shelter agrees with the following statements. **(please initial on each space below)**

Our organization is a 501(c)3 non profit authorized to house animals.

We provide proper care for all transferred animals, including nutritionally adequate food, water, shelter, safe containment, veterinary care, adequate exercise, environmental enrichment, socialization, and human interaction.

We agree that the transferred animal will not displace other animals in our care or community and the transferred animals will not be euthanized for space.

Transferred animals will not be used for breeding purposes, fighting purposes, nor be placed with organizations that intend to use the animal(s) for commercial purposes.

Transferred animals will be sterilized prior to adoption. Only a veterinarian may exempt a dog or cat from sterilization and only for extraordinary medical reasons.

We will assume legal ownership of every animal transferred upon the arrival from the above shelter and until the legal adoption of the animal(s) to a new owner or transfer to another rescue/designated facility. We further agree that our organization shall be fully liable for all costs for the care and/or damage done by the animal(s) during the time our organization is owner of the animal(s).

We agree to humanely euthanize any transferred animals that are found to be a danger to the public or are in a state of extreme physical suffering.

We understand that most animals have unknown history and have been in a shelter environment, thus above shelter is not able to ensure the animals have not been exposed to pathogens, parasites, viruses, etc.

We agree to defend, indemnify, and hold harmless the above shelter and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in the interest from and against all suits and causes of action, claims, losses, demands, and expenses, including, but not limited to attorney fees and cost of litigation, damage or liability or any nature whatsoever, for death or injury to any person including our employees and agents, or damage/destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions, or willful misconduct incident to the performance under this agreement. The provisions of this paragraph survive expiration or termination of this agreement.

**I have fully read and understand these conditions and agree to them on behalf of the organization. To my knowledge, the information contained in this application is true and correct. This mutual agreement can be terminated at any time, for any reason, by either party without notice.**
